
PORTSMOUTH WATER & FIRE DISTRICT
APPLICATION FOR NEW CURB STOP

Map _____ Lot _____

The undersigned property owner hereby makes application for a new curb stop at:

Location of New Service

The undersigned property owner hereby agrees to have a new curb stop installed at the above address by the Portsmouth Water & Fire District.

It is understood by the undersigned property owner that said new curb stop, when installed, becomes the property of the Portsmouth Water & Fire District and further agrees to save said District harmless from any adverse claim to the installation of said water service.

It is understood by the undersigned property owner that the entire cost of the curb stop installation will be borne by the property owner and that the property owner will be charged an inspection and administration fee of \$830.00 plus \$90.00 per hour for each hour over four hours.

It is further understood by the undersigned property owner that a down payment for the curb stop installation and District fee is due in advance according to the estimate provided after application approval.

It is further understood that if the actual cost of construction including the estimated cost for final pavement and landscaping, if any is greater than the down payment, the property owner will be invoiced for the difference and if the actual cost of construction including the estimated cost for final pavement and landscaping, if any is less than the down payment, the property owner will receive a refund for the difference.
